

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 49
Version:	INT
Request No.:	451
Author:	Sen. Dahm
Date:	12/19/2022

Bill Analysis

SB 49 directs the President Pro Tempore of the Senate and Speaker of the House to establish the Joint Committee on Line-Item Legislation. The Joint Committee shall be comprised of 5 members appointed by the President and Speaker from the Senate and House respectively. The Joint Committee is directed to develop the necessary rules and joint rules of each house of the Legislature for the implementation of line-item voting procedures for the consideration of legislation. Additionally, the measure authorizes the Joint Committee to implement necessary changes relating to voting procedures and software. The measure directs the Joint Committee to submit a report to the President and Speaker no later than December 31, 2023.
