

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 50
Version:	INT
Request No.:	452
Author:	Sen. Dahm
Date:	12/19/2022

Bill Analysis

SB 50 authorizes the Legislature to transfer all or part of any federal funds which have been awarded to the state in response to the COVID-19 pandemic to states on the southern border of the United States for the purpose of supporting additional border security activities. The amount to be transferred shall be specified in a joint resolution. The Director of the Office of Management and Enterprise Services is directed by the measure to effectuate the transfer of funds.
