

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 618
Version:	INT
Request No.:	1450
Author:	Sen. Hicks
Date:	01/19/2023

Bill Analysis

SB 618 prohibits any deed restriction, covenant, bylaw, or other governing document of an owner's association from prohibiting or limiting the installation of solar panels or solar collectors on the rooftop of any property or structure. The measure authorizes such an association to regulate the placement of solar panels or solar collectors.
