

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 718
Version:	INT
Request No.:	1440
Author:	Sen. Murdock
Date:	01/24/2023

Bill Analysis

SB 718 designates each licensed ambulance service as an essential service. The measure directs every county governing body to ensure that at least 1 licensed ambulance service is available within the county. A county shall appropriate county revenues for ambulance service if the service cannot be provided by any other means. The measure prohibits any municipality from providing, maintaining, or contracting for ambulance service within the boundaries of a county that has established a public ambulance service district without a contract with the board of directors of the district.
