BILL NUMBER: HB 3240

STATUS AND DATE OF BILL: Engrossed 3/6/2024

AUTHORS: House: Lawson Senate: Gollihare

TAX TYPE(S): none **SUBJECT:** Administrative

PROPOSAL: Amendatory

HB 3240 proposes to require the Ad Valorem Division of the Oklahoma Tax Commission, upon request of the agency designated as the Census Bureau State Data Center, to furnish all location data and addresses necessary for the agency to complete its work with the United States Census Bureau.

EFFECTIVE DATE: November 1, 2024

REVENUE IMPACT:

There is no impact to state tax collections.

ADMINISTRATIVE IMPACT:

Currently, the Ad Valorem Division does not collect or house the information required to administer this proposal¹. Additional statutory authority is necessary to obtain the information needed to administer the provisions of HB 3240. There would be administrative costs associated with efforts to obtain this information, however, a specific estimate of those costs is unknown at this time².

The revenue impact provided herein is an estimate of the potential impact on the collection or apportionment of tax revenues affected by the proposed legislation. It is not intended to be an estimate of the overall fiscal impact on the state budget if the proposed legislation is enacted.

¹The Ad Valorem Division maintains data on municipal boundaries and data associated with the Streamline Sales and Use Tax Agreement, which do not include individual address information.

²Costs may vary dependent upon the availability and ease of access to data across the state, quality and formatting of data from multiple data sets, and resources needed to compile data for ultimate submission to the Census Bureau State Data Center.
