

Fiscal Impact
2nd Session of the 59th Legislature

Bill No.:

SB 1531

Version:

INT

Author:

Sen. Matthews

Fiscal Analysis

SB 1531 declares the 19th of June of each year as Juneteenth National Freedom Day and requires it to be recognized as a formal state holiday. There is no direct fiscal impact. However, the average cost of payroll per day is \$9,942,808.16. It can be calculated that this would be the estimated loss of production for the state by adding an extra holiday per year.

FY'25 Impact: No direct impact

Full Year Impact: No direct impact one
