Fiscal Analysis

SB 174 would appropriate \$3,000,000 to the Oklahoma Tourism and Recreation Department for necessary repairs and renovations of Alabaster Caverns State Park. This was the agency's initial estimate for repairs in 2019, but due to continued deterioration, rises in the cost of labor and material, the estimate has risen. Specialists will need to be hired to determine a true estimate of the completion of adequate and safe repairs.
