

Fiscal Impact
1st Session of the 59th Legislature

Bill No.:
Version:
Author:
Date:

SB 322
INT
Sen. Seifried
03/09/2023

Fiscal Analysis

SB 322 allows certain tuition aid grants to be used for certain transition and post-secondary programs. No specific impact can be determined by the inclusion of these students. The grant pool is established by the Regents and administered at the institution level. While it is possible the broadened eligibility pool may result in a change in the grant pool, that would be an action taken by the Board of Regents as the FY 24 system budget is developed.

FY'24 Impact: Unable to determine

Full Year Impact: Unable to determine
