**Fiscal Analysis**

According to the Oklahoma Corporation Commission (OCC), this measure will require the agency to hire several additional full time employees and expend some one-time expenses on several items including rules making process depending on the outcome of the report. OCC's estimate on the personal including salary and benefits is Two Hundred Fourteen Thousand Dollars (\$214,000.00) OCC's estimate on the one-time costs is Forty-eight Thousand, Nine Hundred Sixty-seven Dollars (\$48,967.00). As OCC is an appropriated agency, this measure would require additional appropriations to OCC, and therefore impact the state budget by \$262,967.
