**Research Analysis**

HB 3288 creates a revolving fund for levee projects on the Arkansas River.

Prepared By: Tricia Hines

**Fiscal Analysis**

This measure creates a revolving fund at the Oklahoma Conservation Commission for an Army Corps of Engineer project to improve the Arkansas River Levees. This bill currently has no fiscal impact as there is no appropriation in the measure and the federal government has not made a final funding decision on the project. Therefore, there is no fiscal impact to the State from this measure.
