Research Analysis

The second proposed committee substitute to House Bill 3797 adds "Oklahoma's Protection and Advocacy System" to the list of definitions used in the Protective Services for Vulnerable Adults Act and requires the Department of Human Services to forward a copy of all initial reports and findings to Oklahoma's Protection and Advocacy System. The measure also requires all initial written reports of incidents or situations to be mailed to the Department and Oklahoma's Protection and Advocacy System within five working days after the incident or situation.

Fiscal Analysis

The second proposed committee substitute for HB3797 adds a definition, reporting requirement, and mailing obligation. In its current form, the measure does not mandate any expenditure by a state agency; therefore, no direct fiscal impact on the state budget or appropriations is anticipated.
