

BILL SUMMARY
1st Session of the 59th Legislature

Bill No.:	SB674
Version:	PCS1
Request Number:	8228
Author:	Rep. McCall
Date:	4/13/2023
Impact:	Minimal

Research Analysis

The PCS to SB 674 creates the Oklahoma Organized Retail Crime Task Force to provide information on organized retail crime and the advantages and drawbacks of instituting various countermeasures to address losses from retail theft in the state. The 15-member Task Force is to issue a report by December 15, 2024 that:

- reviews the laws and regulations on organized retail crime used by other states, the federal government, and foreign countries to regulate the marketplace;
- examines organized retail theft's impact on state and local tax receipts;
- examines the need for interagency coordination of public education and outreach and prevention programs for business owners; and
- contains Legislative and regulatory recommendations, if any, to increase transparency and security, enhance consumer protections, prevent organized retail theft, and to address the long-term economic impact related to the prevalence of organized retail crime.

The PCS increases the membership from 13 to 15 by adding one member from the Convenience Distributors of Oklahoma and one member from the Oklahoma Grocers Association.

Fiscal Analysis

This measure creates the Oklahoma Organized Retail Crime Task Force which shall be comprised of fifteen (15) non-compensated members, with the exception that members can be reimbursed for necessary travel expenses incurred in the performance of their duties in accordance with the State Travel Reimbursement Act. Given that travel reimbursement expenses of this nature are not predictable and are often minimal, SB672 in its current form is not anticipated to have an impact on state budget or appropriations.
