

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	SB 1425
Version:	INT
Request No.:	3313
Author:	Sen. Pederson
Date:	12/18/2023

Bill Analysis

SB 1425 provides counseling services to foster parents and children in the home other than foster children at no cost to the foster parents or children. The provider shall be compensated by the Department of Human Services. The measure clarifies that such services remain optional for both the parents and children. The Department shall establish qualifications for providers who provide such services.
