**Bill Analysis**

SB 1979 requires any applicant for a medical marijuana dispensary license to show employment of a dispensary manager. A dispensary manager shall control and distribute the products, verify the caregiver's or patient's proof of identity, provide necessary education materials, and record information necessary by rule for the sale of each medical marijuana product. Such managers shall not unlock the dispensary area or any additional storage areas for medical marijuana except in an extreme emergency. Such managers shall be required to attend to the product at all times and wear proper identification.
