

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 253
Version:	INT
Request No.:	761
Author:	Sen. Haste
Date:	01/10/2023

Bill Analysis

SB 253 exempts manufacturers or wholesale distributors that sell or rent durable medical equipment directly to consumers if the durable medical equipment is limited to prescription-required specialty devices that are delivered directly to the patient's home or if the initial order for the prescribed product is delivered by an Oklahoma licensed practitioner directly to the patient's home for setup and training from the provisions of the Oklahoma Durable Medical Equipment Licensing Act.
