

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 594
Version:	INT
Request No.:	1619
Author:	Sen. Garvin
Date:	01/19/2023

Bill Analysis

SB 594 directs the Health Care Authority to establish a reimbursement methodology for maternity care provided to Medicaid beneficiary areas of the state with low or no access to maternity care as funding allows. The Authority is directed to seek federal approval as needed. The enhanced reimbursement methodology shall terminate 3 years after the date it takes effect.
