Bill Analysis

SB 806 requires applicants for a medical marijuana business license to provide proof that the applicant has possessory right to the real estate where the business will operate by submission of a copy of an executed deed of conveyance or a signed lease for the property. The measure also prohibits any transferal of the license or goods outside of the normal course of business without the permission of the Oklahoma Medical Marijuana Authority. No address or physical location shall be permitted to have multiple licenses of the same type except for a commercial grower with a combination of indoor and outdoor growing facilities. Any entity seeking to transfer the license shall be required to apply to the Authority for such permission. The application fee for the application to transfer shall be the same as the fee charged for the underlying license application.
