

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 936
Version:	INT
Request No.:	1493
Author:	Sen. Dahm
Date:	01/30/2023

Bill Analysis

SB 936 creates the Protection of Human Life Act of 2023. The measure prohibits any person from conducting nontherapeutic research that destroys human embryo or subjects a human embryo to substantial risk of injury or death. The measure prohibits the transfer of an embryo with the knowledge that the embryo will be subjected to nontherapeutic research or the use of cells or tissues for research purposes if the person knows were obtained by performing activities in violation of the provisions of this measure. Persons found to have violated the provisions of this measure shall be guilty of a misdemeanor and subject to a term of imprisonment not exceeding 1 year.
