SECTION 1. AMENDATORY 70 O.S. 2021, Section 6-187, as last amended by Section 164, Chapter 452, O.S.L. 2024 (70 O.S. Supp. 2024, Section 6-187), is amended to read as follows:

Section 6-187. A. Prior to July 1, 2014, a competency examination shall be adopted by the Oklahoma Commission for Teacher Preparation and beginning July 1, 2014, a competency examination shall be adopted by the Commission for Educational Quality and Accountability for the professional education and various subject areas and grade levels for purposes of ensuring academic achievement and competency of each teacher candidate or teacher in the subject area the person is seeking certification to teach which shall also include certification as an administrator, as prescribed by the State Board of Education.

The Commission, consistent with the purposes of this section, shall promulgate rules and procedures to guarantee the confidentiality of examinations.

B. No teacher candidate shall be eligible for certification until successfully completing the competency examination except those candidates who make application to the ~~State~~ Board and meet the criteria for the alternative placement program pursuant to Section 6-122.3 of this title. Certification shall be limited to areas of approval in which the certified teacher has successfully completed the examination. Subject to the provisions of subsection C of this section, testing for certification for subjects in which a

1 teacher candidate or teacher is seeking a minor teaching assignment
2 or an endorsement to teach shall be limited to the specific subject
3 area test.

4 A teacher candidate or teacher may take the professional
5 education or subject area portions of the examination subject to any
6 limit imposed by the Commission.

7 C. 1. Except as otherwise provided for in this subsection, a
8 teacher may be certified in as many areas as the teacher meets the
9 necessary requirements provided by law and has successfully
10 completed the subject area portion of the examination.

11 2. Except as otherwise provided for in this paragraph,
12 certification in early childhood, elementary, or special education
13 shall require completion of an appropriate teacher education program
14 approved by the Commission and effective July 1, 2025, successful
15 completion of a comprehensive reading instruction assessment as
16 provided for in Section 1210.508F of this title.

17 Any teacher who is certified to teach elementary education may
18 be certified in early childhood education upon meeting the
19 requirements provided in law and successful completion of the
20 appropriate subject area portion of the examination. Any teacher
21 who is certified to teach early childhood education may be certified
22 in elementary education upon meeting the requirements provided in
23 law and successful completion of the appropriate subject area
24 portion of the examination. Any special education teacher who

1 becomes certified to teach through completion of an accredited
2 teacher preparation program may be certified in early childhood or
3 elementary education upon meeting the requirements provided in law
4 and successful completion of the appropriate subject portion of the
5 examination. Any teacher who becomes certified to teach through
6 completion of an accredited teacher preparation program or becomes
7 alternatively certified to teach through the Troops to Teachers
8 program may be certified in special education upon meeting the
9 requirements provided in law and successful completion of the
10 appropriate subject area portion of the examination. Any special
11 education teacher who has not completed a Commission-approved
12 teacher education program in elementary education or early childhood
13 education but who has successfully completed the subject area

17 purposes in special education settings only.

18 D. The Commission shall offer the competency examination at
19 least four times per calendar year on dates to be established by the
20 Commission.

21 E. If a teacher candidate or teacher is a non-native-English
22 speaker, the Commission shall offer the subject area competency
23 examination in the native language of the teacher candidate or
24 teacher only if the teacher candidate or teacher is employed or has

1 been offered employment by a school district as a teacher in a
2 foreign language immersion program offered by the school district.
3 If a non-native-English speaker who has received certification in a
4 subject area after taking the subject area competency examination in
5 the native language of the speaker seeks to add a certification area
6 in the future and that person is no longer employed as a teacher in
7 a foreign language immersion program, the examination for the
8 additional certification area shall be taken in English. The State
9 Board of Education shall issue a restricted license or certificate
10 to any teacher who has completed a subject area competency
11 examination in the native language of the teacher as provided for in
12 this subsection restricting the teacher to teaching only in a
13 foreign language immersion program.

14 F. The State Board of Education, in consultation with the
15 Commission for Educational Quality and Accountability, may grant an
16 exception to the requirement to complete a subject area examination
17 for initial certification in a field which does not require an
18 advanced degree if the candidate has an advanced degree in a subject
19 that is substantially comparable to the content assessed on a
20 subject area examination. The advanced degree shall be from an
21 institution accredited by a national or regional accrediting agency
22 which is recognized by the Secretary of the United States Department
23 of Education. The Commission shall provide the Board with the
24 necessary information to determine comparability.

1 G. 1. Nothing in the Oklahoma Teacher Preparation Act shall
2 restrict the right of the State Board of Education to issue an
3 emergency or provisional certificate, as needed. Provided, however,
4 prior to the issuance of an emergency certificate, the district
5 shall document substantial efforts to employ a teacher who holds a
6 provisional or standard certificate. In the event a district is
7 unable to hire an individual meeting this criteria, the district
8 shall document efforts to employ an individual with a provisional or
9 standard certificate in another curricular area with academic
10 preparation in the field of need. Only after these alternatives
11 have been exhausted shall the district be allowed to employ an
12 individual meeting minimum standards as established by the State
13 Board of Education for the issuance of emergency certificates.

14 2. The State Board of Education may renew the emergency or
15 provisional certificate of an individual who has been employed by a
16 school district board of education for at least two (2) years if the

8 submits to the State Board of Education the reason the
9 emergency or provisional certificate should be renewed
10 and provides evidence of the district's inability to
11 hire a teacher who holds a standard certificate.

12 3. Individuals employed by a school district under an emergency
13 or provisional certificate shall not be considered career teachers
14 and therefore not entitled to the protections of the Teacher Due
15 Process Act of 1990.

16 H. The State Board of Education may grant an exception to the
17 requirements for all certification examinations for teacher
18 candidates who are "deaf", which for the purposes of this section
19 shall mean having a hearing loss so severe that the person cannot
20 process auditory linguistic information with or without
21 accommodation and whose primary language and teaching environment is
22 American Sign Language. The Board may grant an exception upon:
23
24

- 2 severe that the teacher candidate cannot process auditory linguistic
- 3 information with or without accommodation;
- 4 2. Demonstration of fluency in American Sign Language;

11 necessary to grant the exceptions described in this subsection.
12 Applicable teaching environments may include American Sign Language
13 immersion programs, the Oklahoma School for the Deaf, programs for
14 the deaf, or other classroom settings in which American Sign
15 Language is the language of instruction.

Section 6-187. A. Prior to July 1, 2014, a competency examination shall be adopted by the Oklahoma Commission for Teacher Preparation and beginning July 1, 2014, a competency examination shall be adopted by the Commission for Educational Quality and Accountability for the professional education and various subject areas and grade levels for purposes of ensuring academic achievement and competency of each teacher candidate or teacher in the subject area the person is seeking certification to teach which shall also include certification as an administrator, as prescribed by the State Board of Education.

The Commission, consistent with the purposes of this section, shall promulgate rules and procedures to guarantee the confidentiality of examinations.

B. No teacher candidate shall be eligible for certification until successfully completing the competency examination except those candidates who make application to the ~~State~~ Board and meet the criteria for the alternative placement program pursuant to Section 6-122.3 of this title. Certification shall be limited to areas of approval in which the certified teacher has successfully completed the examination. Subject to the provisions of subsection C of this section, testing for certification for subjects in which a

1 teacher candidate or teacher is seeking a minor teaching assignment
2 or an endorsement to teach shall be limited to the specific subject
3 area test.

4 A teacher candidate or teacher may take the professional
5 education or subject area portions of the examination subject to any
6 limit imposed by the Commission.

7 C. 1. Except as otherwise provided for in this subsection, a
8 teacher may be certified in as many areas as the teacher meets the
9 necessary requirements provided by law and has successfully
10 completed the subject area portion of the examination.

11 2. Except as otherwise provided for in this paragraph,
12 certification in early childhood, elementary, or special education
13 shall require completion of an appropriate teacher education program
14 approved by the Commission and effective July 1, 2025, successful
15 completion of a comprehensive reading instruction assessment as
16 provided for in Section 1210.508F of this title.

17 Any teacher who is certified to teach elementary education may
18 be certified in early childhood education upon meeting the
19 requirements provided in law and successful completion of the
20 appropriate subject area portion of the examination. Any teacher
21 who is certified to teach early childhood education may be certified
22 in elementary education upon meeting the requirements provided in
23 law and successful completion of the appropriate subject area
24 portion of the examination. Any special education teacher who

1 becomes certified to teach through completion of an accredited
2 teacher preparation program may be certified in early childhood or
3 elementary education upon meeting the requirements provided in law
4 and successful completion of the appropriate subject portion of the
5 examination. Any teacher who becomes certified to teach through
6 completion of an accredited teacher preparation program or becomes
7 alternatively certified to teach through the Troops to Teachers
8 program may be certified in special education upon meeting the
9 requirements provided in law and successful completion of the
10 appropriate subject area portion of the examination. Any special
11 education teacher who has not completed a Commission-approved
12 teacher education program in elementary education or early childhood
13 education but who has successfully completed the subject area
14 portion of the examination may be certified in elementary education

16 instruction and serving as the teacher of record for grading
17 purposes in special education settings only.

18 D. The Commission shall offer the competency examination at
19 least four times per calendar year on dates to be established by the
20 Commission.

21 E. If a teacher candidate or teacher is a non-native-English
22 speaker, the Commission shall offer the subject area competency
23 examination in the native language of the teacher candidate or
24 teacher only if the teacher candidate or teacher is employed or has

1 | been offered employment by a school district as a teacher in a
2 | foreign language immersion program offered by the school district.
3 | If a non-native-English speaker who has received certification in a
4 | subject area after taking the subject area competency examination in
5 | the native language of the speaker seeks to add a certification area
6 | in the future and that person is no longer employed as a teacher in
7 | a foreign language immersion program, the examination for the
8 | additional certification area shall be taken in English. The State
9 | Board of Education shall issue a restricted license or certificate
10 | to any teacher who has completed a subject area competency
11 | examination in the native language of the teacher as provided for in
12 | this subsection restricting the teacher to teaching only in a
13 | foreign language immersion program.

14 | F. The State Board of Education, in consultation with the
15 | Commission for Educational Quality and Accountability, may grant an
16 | exception to the requirement to complete a subject area examination
17 | for initial certification in a field which does not require an
18 | advanced degree if the candidate has an advanced degree in a subject
19 | that is substantially comparable to the content assessed on a
20 | subject area examination. The advanced degree shall be from an
21 | institution accredited by a national or regional accrediting agency
22 | which is recognized by the Secretary of the United States Department
23 | of Education. The Commission shall provide the Board with the
24 | necessary information to determine comparability.

1 G. 1. Nothing in the Oklahoma Teacher Preparation Act shall
2 restrict the right of the State Board of Education to issue an
3 emergency or provisional certificate, as needed. Provided, however,
4 prior to the issuance of an emergency certificate, the district
5 shall document substantial efforts to employ a teacher who holds a
6 provisional or standard certificate. In the event a district is
7 unable to hire an individual meeting this criteria, the district
8 shall document efforts to employ an individual with a provisional or
9 standard certificate in another curricular area with academic
10 preparation in the field of need. Only after these alternatives
11 have been exhausted shall the district be allowed to employ an
12 individual meeting minimum standards as established by the State
13 Board of Education for the issuance of emergency certificates.

14 2. The State Board of Education may renew the emergency or
15 provisional certificate of an individual who has been employed by a
16 school district board of education for at least two (2) years if the

3. Individuals employed by a school district under an emergency or provisional certificate shall not be considered career teachers and therefore not entitled to the protections of the Teacher Due Process Act of 1990.

H. The State Board of Education may grant an exception to the requirements for all certification examinations for teacher candidates who are "deaf", which for the purposes of this section shall mean having a hearing loss so severe that the person cannot process auditory linguistic information with or without accommodation and whose primary language and teaching environment is American Sign Language. The Board may grant an exception upon:

- 1 1. Verification by a licensed audiologist of a hearing loss so
2 severe that the teacher candidate cannot process auditory linguistic
3 information with or without accommodation;
- 4 2. Demonstration of fluency in American Sign Language;
- 5 3. Demonstration of competency in the subject area of
6 specialization as approved by the Board in lieu of certification
7 examinations; and
- 8 4. Sponsorship by a certified deaf education teacher for a
9 mentorship program.

10 The Board may promulgate rules and other requirements as
11 necessary to grant the exceptions described in this subsection.
12 Applicable teaching environments may include American Sign Language
13 immersion programs, the Oklahoma School for the Deaf, programs for
14 the deaf, or other classroom settings in which American Sign
15 Language is the language of instruction.

22 enrolled in kindergarten and first, second, and third grade in a
23 public school in this state shall be screened at the beginning,
24 middle, and end of each school year for reading skills including,

1 but not limited to, phonological awareness, decoding, fluency,
2 vocabulary, and comprehension. A screening instrument approved by
3 the State Board of Education, in consultation with the Commission
4 for Educational Quality and Accountability and the Secretary of
5 Education, shall be utilized for the purposes of this section. In
6 determining which screening instrument to approve, the State Board
7 of Education, the Commission for Educational Quality and

5. Accompanied by a data management system that provides profiles of ~~students~~ each student, class, grade level, and school building. The profiles shall identify each student's instructional point of need and reading achievement level. The State Board shall also determine other comparable reading assessments for diagnostic purposes to be used for students at risk of reading failure.

C. 1. Exemptions to the screening requirements of this section may be provided to students who have documented evidence that they meet at least one of the following criteria as related to the provision of classroom instruction:

a. the student participates in the Oklahoma Alternate Assessment Program (OAAP) and is taught using alternate methods,

b. the student's primary expressive or receptive communication is sign language,

c. the student's primary form of written or read text is Braille, or

Students who are administered a screening instrument pursuant to subsection A of this section and are found not to be meeting grade-level targets shall be provided a program of reading instruction designed to enable students to acquire the appropriate grade-level reading skills. The program of reading instruction shall be based on scientific reading research and align with the subject matter standards adopted by the State Board of Education. A program of reading instruction shall include:

a. sufficient additional in-school instructional time for the acquisition of phonological awareness, decoding, fluency, vocabulary, and comprehension,

- c. assessments identified for diagnostic purposes and periodic monitoring to measure the acquisition of reading skills including, but not limited to, phonological awareness, decoding, fluency, vocabulary, and comprehension, as identified in the student's program of reading instruction,
- d. high-quality instructional materials grounded in scientifically based reading research, and
- e. a means of providing every family of a student in prekindergarten, kindergarten, and first, second, and third grade access to free online evidence-based literacy instruction resources to support the student's literacy development at home.

2. A student enrolled in kindergarten or first, second, or third grade who exhibits a deficiency in reading at any time based on the screening instrument administered pursuant to subsection A of this section shall receive an individual reading intervention plan no later than thirty (30) days after the identification of the

1 deficiency in reading. The reading intervention plan shall be
2 provided in addition to core reading instruction that is provided to
3 all students. The reading intervention plan shall:

- 4 a. describe the research-based reading intervention
5 services the student will receive to remedy the

The notification shall occur no later than thirty (30) days after the identification of the deficiency in reading.

E. 1. Every school district shall adopt and implement a district strong readers plan which has had input from school administrators, teachers, and parents and legal guardians and if possible a reading specialist, and which shall be submitted electronically to and approved by the State Board of Education. The plan shall be updated annually. School districts shall not be required to electronically submit the annual updates to the Board if the last plan submitted to the Board was approved and expenditures for the program include only expenses relating to individual and

1 small group tutoring, purchase of and training in the use of
2 screening and assessment measures, summer school programs, and
3 Saturday school programs. If any expenditure for the program is
4 deleted or changed or any other type of expenditure for the program
5 is implemented, the school district shall be required to submit the

13 implementation and evaluation of the provisions of the Strong
14 Readers Act. The evaluation shall include, but not be limited to,
15 an analysis of the data required in subsection L of this section.

16 F. 1. Any first-grade, second-grade, or third-grade student
17 who demonstrates proficiency in reading through a grade-level
18 appropriate screening instrument approved pursuant to subsection B
19 of this section shall not require a program of reading instruction
20 or an individual reading intervention plan. After a student has
21 demonstrated proficiency through a screening instrument, the
22 district shall provide notification to the parent or legal guardian
23 of the student that he or she has satisfied the requirements of the
24 Strong Readers Act. The district shall continue to monitor the

1 student in the next successive grade level to ensure he or she
2 maintains proficiency.

3 2. Beginning with the 2025-2026 school year, if a third-grade
4 student is identified at any point of the academic year as having a
5 significant reading deficiency, which shall be defined as not
6 meeting grade-level targets on a screening instrument administered
7 pursuant to subsection A of this section, the district shall provide
8 the student with intensive intervention services for the appropriate
9 amount of the instructional day consistent with the individual
10 reading intervention plan developed pursuant to paragraph 2 of
11 subsection D of this section and as determined by the Student
12 Reading Proficiency Team. Intensive intervention services shall
13 continue until the student demonstrates proficiency at his or her
14 grade level based on a screening instrument administered pursuant to
15 subsection A of this section.

16 G. Each school district shall annually report in an electronic
17 format to the State Department of Education, the Office of
18 Educational Quality and Accountability, and the Secretary of

5 Education shall publicly report the aggregate and district-specific
6 numbers submitted pursuant to this subsection on its website and
7 shall provide electronic copies of the report to the Governor,

11 legislative chamber.

12 H. The parent of any student who is found to have a reading
13 deficiency and is not meeting grade-level reading targets and has
14 been provided a program of reading instruction as provided for in
15 paragraph 1 of subsection D of this section shall be notified in
16 writing of the following:

17 1. That the student has been identified as having a substantial
18 deficiency in reading;

6 I. No student may be assigned to a grade level based solely on
7 age or other factors that constitute social promotion.

8 J. 1. Each school district board of education shall annually
9 publish on the school website and report electronically to the State
10 Department of Education, the Office of Educational Quality and
11 Accountability, and the Secretary of Education by September 1 of
12 each year the following information on the prior school year:

15 provisions of this section. The information submitted
16 shall include expenditures related to implementing the
17 provisions of this section, the number of staff
18 implementing the provisions of this section, and
19 average daily classroom time devoted to implementing
20 the provisions of this section,

21 b. by grade, the number and percentage of all students in
22 kindergarten through third grade who did not meet
23 grade-level targets based on a screening instrument
24 administered pursuant to subsection A of this section,

17 2. The State Department of Education shall establish a uniform
18 format for school districts to report the information required in
19 this subsection. The format shall be developed with input from
