6 SECTION 1. NEW LAW A new section of law to be codified
7 in the Oklahoma Statutes as Section 1-709.10 of Title 63, unless
8 there is created a duplication in numbering, reads as follows:

9 As used in this section:

10 1. "Abortion" means the act of using or prescribing an
11 instrument, a drug, a medicine, or any other substance, device, or
12 means with the intent to cause the death of an unborn child of a
13 woman known to be pregnant. An act is not an abortion if the act is
14 done with the intent to:

15 a. save the life or preserve the health of an unborn
16 child,

17 b. remove a dead, unborn child whose death was caused by
18 a miscarriage, or

19 c. remove an ectopic pregnancy;

20 2. "Abortion-inducing drug" means a drug, a medicine, or any
21 other substance, including a regimen of two or more drugs,
22 medicines, or substances, prescribed, dispensed, or administered
23 with the intent of terminating a clinically diagnosable pregnancy of
24 a woman and with knowledge that the termination will, with

1 reasonable likelihood, cause the death of the woman's unborn child.
2 The term includes off-label use of drugs, medicines, or other
3 substances known to have abortion-inducing properties that are
4 prescribed, dispensed, or administered with the intent of causing an
5 abortion, including the Mifeprex regimen, misoprostol (Cytotec), and
6 methotrexate. The term does not include a drug, medicine, or other
7 substance that may be known to cause an abortion but is prescribed,
8 dispensed, or administered for other medical reasons;

9 3. "Contraception" means the use of any natural or artificial
10 means to prevent the fertilization of a human ovum;

11 4. "Pregnancy center" means a private nonprofit organization
12 that promotes childbirth and alternatives to abortion and provides
13 women, children, and families with resources, counseling, classes,
14 referrals, and information related to pregnancy, childbearing,
15 adoption, and parenting; and

16 5. "Medical pregnancy center" means a private nonprofit
17 organization that promotes childbirth and alternatives to abortion
18 and provides medical testing, medical counseling, or medical care
19 related to pregnancy. It may also provide women, children, and
20 families with resources, counseling, classes, referrals, or
21 information related to pregnancy, childbearing, adoption, and
22 parenting.

2 in the Oklahoma Statutes as Section 1-709.11 of Title 63, unless

5 municipal officials, political subdivisions, or agencies shall not,
6 through the adoption or enactment of any law, ordinance, policy, or
7 similar measure:

8 1. Require a pregnancy center or medical pregnancy center to
9 offer or perform abortions;

22 inducing drugs, or contraception;

23 6. Prohibit a pregnancy center or medical pregnancy center from

2 pregnancy center does not perform, refer, or counsel in favor of
3 abortion, abortion-inducing drugs, or contraception;

23 life ethic and operating procedures.

9 for damages, declaratory relief, injunctive relief, and any other
10 appropriate relief. A prevailing party shall be entitled, upon the

23 shall be held invalid or unenforceable by a court of competent
24

1 jurisdiction, said provision shall be deemed severable and the
2 remaining provisions of this act deemed fully enforceable.

4 in the Oklahoma Statutes as Section 1-709.14 of Title 63, unless
5 there is created a duplication in numbering, reads as follows:
