10 monies total ~~One Hundred Dollars (\$100.00)~~ Five Hundred Dollars
11 (\$500.00). Disbursements from each of the activity accounts shall
12 be by check countersigned by the school activity fund custodian and
13 shall not be used for any purpose other than that for which the
14 account was originally created. The board of education, at the
15 beginning of each fiscal year and as needed during each fiscal year,
16 shall approve all school activity fund subaccounts, all subaccount
17 fund-raising activities and all purposes for which the monies
18 collected in each subaccount can be expended. Provided, the board
19 of education may direct by written resolution that any balance in
20 excess of the amount needed to fulfill the function or purpose for
21 which an account was established may be transferred to another
22 account by the custodian.

23 B. The board of education of each school district may designate
24 that any of the following revenue be deposited for the use of

1 specific school activity accounts, or to a general activity fund

7 excess of Seventy-five Dollars (\$75.00), and the total expenditures
8 during any one (1) fiscal year shall not exceed Two Thousand Five
9 Hundred Dollars (\$2,500.00) per school building. The school
10 activity fund custodian shall initiate petty cash accounts by filing

6 the authorized amount of a petty cash account.

7 None of the provisions pertaining to a petty cash account shall
8 be construed to authorize the use of one (1) fiscal year's fund to
9 pay obligations of another fiscal year. Any remaining balance in
10 each petty cash account shall be transferred to the general fund on
11 or before June 30 of each year.

12 D. The State Board of Education shall adopt appropriate rules
13 and regulations and design standard forms for the proper conduct of

11 fund. The subaccount may be expended only for the refund of
12 revenues previously received and deposited either into the
13 subaccount or directly into the general fund. Any remaining balance
14 in the refund subaccount shall be transferred to the school district
15 general fund on or before June 30 of each year.

16 H. The board of education of a school district may authorize
17 the custodian of the school activity funds to provide cash advances
18 to the sponsors for travel expenses on behalf of school district
19 students and sponsors of certain school activities. The cash
20 advances may only come from the school activity fund subaccount
21 directly involved in the travel of such students or sponsor and only
22 if the travel is one of the stated functions or purposes for the
23 establishment of the subaccount. Receipts for all expenditures of
24

1 the cash advances shall be kept and turned in to the custodian of

10 of the public peace, health or safety, an emergency is hereby
11 declared to exist, by reason whereof this act shall take effect and
12 be in full force from and after its passage and approval.
