(Date)

I move to amend Senate Bill No. 1246 as follows:

1. On Page 2, Line 3 ½, by inserting a new paragraph 2 to read as follows and renumbering subsequent paragraphs:

“2. “Contiguous property owner” means the record owner of each immediately contiguous parcel of land to the land where the proposed permitted facility or activity is located that is not owned or controlled by the permit applicant. For the purposes of this paragraph, “immediately contiguous parcel” includes parcels that are on the opposite side of a road or highway, if such road or highway is on the property boundary, but does not include contiguous parcels that are more than one-quarter (1/4) mile from the permitted activity that is the primary focus of a permit, such as the smokestack where proposed air emissions will be emitted, or from the outfall point of a proposed wastewater discharge, or from any location where proposed solid waste disposal or land application will occur”; and

2. On Page 6, Line 9, by deleting after the word “all” and before the word “property”, the word “adjacent” and inserting the word “contiguous”.
