19 ~~BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:~~

20 SECTION 1. NEW LAW A new section of law to be codified
21 in the Oklahoma Statutes as Section 2357.410 of Title 68, unless
22 there is created a duplication in numbering, reads as follows:

23 A. Except as provided in subsection F of this section, for tax
24 year 2026 and subsequent tax years, there shall be allowed a credit

1 against the tax imposed pursuant to Section 2355 of Title 68 of the
2 Oklahoma Statutes on taxable income from compensation directly
3 related to the practice of medicine or osteopathic medicine by a
4 qualifying doctor in a rural area of this state.

5 B. For purposes of this section:

6 1. "Qualifying doctor" means a medical doctor or osteopathic
7 physician:

8 a. who is licensed in this state by the State Board of
9 Medical Licensure and Supervision or the State Board
10 of Osteopathic Examiners either on or after the
11 effective date of this act or at any time within the
12 period two (2) years prior to the effective date of
13 this act, but not earlier than January 1, 2024,

14 b. who has graduated from a college of medicine or
15 osteopathic medicine located in this state or has
16 completed his or her residency in this state, and

17 c. whose primary residence is located within the same
18 county as the rural area where the compensation
19 qualifying for credit under this paragraph was earned.

20 For purposes of this subparagraph, the qualifying
21 doctor must maintain the primary residence either
22 within the county for the entire taxable year for
23 which the credit otherwise authorized by this section
24 is claimed; and

1 2. "Rural area" means any municipality or unincorporated
2 location in this state which:

3 a. has a population not exceeding twenty-five thousand
4 (25,000) as determined by the most recent Federal
5 Decennial Census, and

6 b. is at least twenty-five (25) miles from the boundary
7 of the nearest municipality in this state with a
8 population exceeding twenty-five thousand (25,000) as
9 determined by the most recent Federal Decennial
10 Census.

11 C. The amount of the credit provided by this section claimed by
12 a taxpayer in any tax year shall not exceed Twenty Thousand Dollars
13 (\$20,000.00).

14 D. The credit authorized by this section shall not be used to
15 reduce the tax liability of the taxpayer to less than zero (0).

16 E. Except as provided in subsection F of this section, a
17 qualifying doctor who first claims the credit provided by this
18 section shall be allowed the credit for up to four (4) subsequent
19 taxable years so long as he or she qualifies pursuant to the
20 provisions of this section.

21 F. For tax year 2028 and subsequent tax years, the total amount
22 of credits authorized by this section shall not exceed One Million
23 Dollars (\$1,000,000.00). The Oklahoma Tax Commission shall annually
24 calculate and publish a percentage by which the credits authorized

1 by this section shall be reduced so the total amount of credits used
2 to offset tax does not exceed the annual limit. The formula to be
3 used for the percentage adjustment shall be One Million Dollars
4 (\$1,000,000.00) divided by the amount of credit claimed in the
5 second preceding tax year. In the event the total tax credits
6 authorized by this section exceed the annual limit in any tax year,
7 the Tax Commission shall permit any excess but shall factor such
8 excess into the percentage adjustment formula for subsequent tax
9 years.

10 SECTION 2. This act shall become effective January 1, 2026."

11 Passed the Senate the 8th day of May, 2025.
