19 Section 423. A. The Oklahoma Medical Marijuana Authority shall
20 make available on its website in an easy-to-find location an
21 application for a medical marijuana processing license. The
22 Authority shall be authorized to issue two types of medical
23 marijuana processor licenses based on the level of risk posed by the

8 application; approve, reject, or deny the application; and send the
9 approval, rejection, or denial letter stating the reasons for the
10 rejection or denial to the applicant in the same method the
11 application was submitted to the Authority.

11 previous month. This report shall detail the amount of marijuana
12 and medical marijuana products purchased in pounds, the amount of
13 marijuana cooked or processed in pounds, and the amount of waste in
