2 BILL NO. 132

By: Burns and Green of the
Senate

3 and

4 Boles of the House

5
6 An Act relating to the Corporation Commission;
7 amending 17 O.S. 2021, Section 53, which relates to
8 plugging wells; establishing maximum time period for
9 plugging certain wells; defining term; directing rule
10 promulgation; and providing an effective date.

11 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

12 SECTION 1. AMENDATORY 17 O.S. 2021, Section 53, is
13 amended to read as follows:

14 Section 53. A. The Corporation Commission is hereby authorized
15 to promulgate rules for the plugging of all abandoned oil and gas
16 wells. Abandoned wells, including shut-in gas wells, shall be
17 plugged under the direction and supervision of Commission employees
18 as may be prescribed by the Commission. Provided, however, the
19 Commission shall not order any oil ~~or gas~~ well to be plugged or
20 closed if the well is located on an otherwise producing oil ~~or gas~~
21 lease as defined by the Commission, unless such well poses an
22 imminent threat to the public health and safety which shall be
23 determined by the Commission after conducting a public hearing on
24 the matter.

1 B. A shut-in gas well may be shut-in for a period not to exceed
2 seven (7) years.

3 C. 1. Any operator with a gas well that is shut-in prior to
4 the effective date of this act shall have ten (10) years from the
5 effective date of this act to either plug or produce from the well.

6 2. An operator with gas wells that are shut-in prior to the
7 effective date of this act shall reduce the number of shut-in gas
8 wells by plugging or producing from such wells as follows:

9 a. not later than July 1, 2028, by reducing the number of
10 shut-in gas wells by at least twenty-five percent
11 (25%),

12 b. not later than July 1, 2031, by reducing the number of
13 shut-in gas wells by at least fifty percent (50%), and

14 c. not later than July 1, 2035, by plugging or producing
15 from all remaining shut-in gas wells.

16 D. As used in this section, "shut-in gas well" means a well
17 that is capable of producing gas by opening valves or activating
18 existing equipment and is capable of producing gas in paying
19 quantities. Such reasons for nonproduction may include lack of
20 suitable production facilities or lack of a suitable market.

21 E. The Commission shall promulgate rules to effectuate the
22 provisions of this section and establish any necessary enforcement
23 measures.

24 SECTION 2. This act shall become effective November 1, 2025.

1 Passed the Senate the 25th day of March, 2025.
