BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. A. From the funds appropriated to the Office of Educational Quality and Accountability in Enrolled House Bill No. 2766 of the 1st Session of the 60th Oklahoma Legislature, the sum of Five Hundred Thousand Dollars (\$500,000.00) shall be used to provide grants to school districts in this state to provide a cellphone-free educational environment. Grants shall be provided on a first-come, first-served basis only to school districts whose governing boards of education have adopted a policy prohibiting students from using cell phones and personal electronic devices while on the campus of a public school district from bell to bell for three (3) school years, beginning with the 2025-2026 school year.

B. Grants awarded pursuant to this section shall be used during the 2025-2026 school year to purchase devices or equipment in which students enrolled in a grant recipient school district can store their cell phones and personal electronic devices during the school day. In conjunction with the Office of Management and Enterprise Services, the Office of Educational Quality and Accountability may negotiate and enter into a contract with a vendor to offer a state rate price to grant recipient school districts; provided, however, a grant recipient school district shall not be required to use a vendor contracted by the Office of Educational Quality and Accountability.

D. The Commission for Educational Quality and Accountability shall be authorized to promulgate rules in order to effectuate the provisions of this section.

SECTION 3. It being immediately necessary for the preservation of the public peace, health, or safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
