SUBJECT: Long-term care

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 56 O.S. 2021, Section 2002, is amended to read as follows:

Section 2002. A. For the purpose of providing quality care enhancements, the Oklahoma Health Care Authority is authorized to and shall assess a Nursing Facilities Quality of Care Fee pursuant to this section upon each nursing facility licensed in this state. Facilities operated by the Oklahoma Department of Veterans Affairs shall be exempt from this fee. Quality of care enhancements include, but are not limited to, the purposes specified in this section.

B. As a basis for determining the Nursing Facilities Quality of Care Fee assessed upon each licensed nursing facility, the Authority shall calculate a uniform per-patient day rate. The rate shall be

calculated by dividing six percent (6%) of the total annual patient gross receipts of all licensed nursing facilities in this state by the total number of patient days for all licensed nursing facilities in this state. The result shall be the per-patient day rate. Beginning July 15, 2004, the Nursing Facilities Quality of Care Fee shall not be increased unless specifically authorized by the Legislature.

- C. Pursuant to any approved Medicaid waiver and pursuant to subsection N of this section, the Nursing Facilities Quality of Care Fee shall not exceed the amount or rate allowed by federal law for nursing home licensed bed days.
- D. The Nursing Facilities Quality of Care Fee owed by a licensed nursing facility shall be calculated by the Authority by adding the daily patient census of a licensed nursing facility, as reported by the facility for each day of the month, and by multiplying the ensuing figure by the per-patient day rate determined pursuant to the provisions of subsection B of this section.
- E. Each licensed nursing facility which is assessed the Nursing Facilities Quality of Care Fee shall be required to file a report on a monthly basis with the Authority detailing the daily patient census and patient gross receipts at such time and in such manner as required by the Authority.
- F. 1. The Nursing Facilities Quality of Care Fee for a licensed nursing facility for the period beginning October 1, 2000, shall be determined using the daily patient census and annual patient gross receipts figures reported to the Authority for the calendar year 1999 upon forms supplied by the Authority.
- 2. Annually the Nursing Facilities Quality of Care Fee shall be determined by:
  - a. using the daily patient census and patient gross receipts reports received by the Authority for the most recent available twelve (12) months, and
  - b. annualizing those figures.

Each year thereafter, the annualization of the Nursing Facilities Quality of Care Fee specified in this paragraph shall be subject to the limitation in subsection B of this section unless the provision of subsection C of this section is met.

- G. The payment of the Nursing Facilities Quality of Care Fee by licensed nursing facilities shall be an allowable cost for Medicaid reimbursement purposes.
- H. 1. There is hereby created in the State Treasury a revolving fund to be designated the "Nursing Facility Quality of Care Fund".
- 2. The fund shall be a continuing fund, not subject to fiscal year limitations, and shall consist of:
  - a. all monies received by the Authority pursuant to this section and otherwise specified or authorized by law,
  - b. monies received by the Authority due to federal financial participation pursuant to Title XIX of the Social Security Act, and
  - c. interest attributable to investment of money in the fund.
- 3. All monies accruing to the credit of the fund are hereby appropriated and shall be budgeted and expended by the Authority for:
  - a. reimbursement of the additional costs paid to Medicaid-certified nursing facilities for purposes specified by Sections 1-1925.2 and 5022.2 of Title 63 of the Oklahoma Statutes,

- j. personal needs allowance increases for residents of nursing homes and Intermediate Care Facilities for Individuals with Intellectual Disabilities (ICFs/IID) from Thirty Dollars (\$30.00) to Fifty Dollars (\$50.00) per month per resident.
- 4. Expenditures from the fund shall be made upon warrants issued by the State Treasurer against claims filed as prescribed by law with the Director of the Office of Management and Enterprise Services for approval and payment.
- 5. The fund and the programs specified in this section funded by revenues collected from the Nursing Facilities Quality of Care Fee pursuant to this section are exempt from budgetary cuts, reductions, or eliminations.
- 6. The Medicaid rate increases for intermediate care facilities for individuals with intellectual disabilities (ICFs/IID) shall not

exceed the net Medicaid rate increase for nursing facilities including, but not limited to, the Medicaid rate increase for which Medicaid-certified nursing facilities are eligible due to the Nursing Facilities Quality of Care Fee less the portion of that increase attributable to treating the Nursing Facilities Quality of Care Fee as an allowable cost.

- 7. The reimbursement rate for nursing facilities shall be made in accordance with Oklahoma's Medicaid reimbursement rate methodology and the provisions of this section.
- 8. No nursing facility shall be guaranteed, expressly or otherwise, that any additional costs reimbursed to the facility will equal or exceed the amount of the Nursing Facilities Quality of Care Fee paid by the nursing facility.

- 2. In the event of an invalidation of this section by any court of last resort under circumstances not covered in subsection J of this section, the Nursing Facilities Quality of Care Fee shall be null and void as of the effective date of that invalidation.
- 3. In the event that the Nursing Facilities Quality of Care Fee is determined to be null and void for any of the reasons enumerated in this subsection, any Nursing Facilities Quality of Care Fee assessed and collected for any periods after such invalidation shall be returned in full within sixty (60) days by the Authority to the nursing facility from which it was collected.
- J. 1. If any provision of this section or the application thereof shall be adjudged to be invalid by any court of last resort, such judgment shall not affect, impair or invalidate the provisions of the section, but shall be confined in its operation to the provision thereof directly involved in the controversy in which such

judgment was rendered. The applicability of such provision to other persons or circumstances shall not be affected thereby.

- 2. This subsection shall not apply to any judgment that affects the rate of the Nursing Facilities Quality of Care Fee, its applicability to all licensed nursing homes in the state, the usage of the fee for the purposes prescribed in this section, or the ability of the Authority to obtain full federal participation to match its expenditures of the proceeds of the fee.
- K. The Authority shall promulgate rules for the implementation and enforcement of the Nursing Facilities Quality of Care Fee established by this section.

Any facilities that made application to the State Department of Health to become a licensed continuum of care facility no later than January 1, 2012, shall be assessed at the same rate as those facilities assessed pursuant to paragraph 1 of this subsection; provided, that any facility making the application shall receive the license on or before September 1, 2012.
