21 required in this section shall be disaggregated by gender, race,  
22 ethnicity, disability status, migrant status, English proficiency,  
23 and status as economically disadvantaged, except that such  
24 disaggregation shall not be required in a case in which the number

1 of students in a category is insufficient to yield statistically  
2 reliable information or the results would reveal personally  
3 identifiable information about an individual student. Each school  
4 site shall notify the student's parents or legal guardians of the  
5 school's performance levels in the Oklahoma School Testing Program  
6 as reported in the Oklahoma Educational Indicators Program at the  
7 end of each school year.

3 courses, the number and demographics of students placed in  
4 mathematics intervention courses, and the number and demographics of  
5 students not placed in advanced mathematic courses or mathematic  
6 intervention courses. The report shall include information on the  
7 type and format of advanced mathematic courses and the type and  
8 format of mathematic intervention courses.

9 O. The State Board of Education shall provide guidance on how  
10 to best develop programming and courses to ensure all impacted  
11 students receive rigorous, academically appropriate instruction in  
12 mathematics.

13 P. Beginning with the 2026-2027 school year, and for each year
