10       An Act relating to the Unfair Claims Settlement  
11       Practices Act; amending 36 O.S. 2021, Section 1250.5,  
12       as last amended by Section 1, Chapter 214, O.S.L.  
13       2023 (36 O.S. Supp. 2024, Section 1250.5), which  
14       relates to acts by an insurer constituting unfair  
15       claim settlement practice; decreasing allowable time  
16       to file certain claim; and providing an effective  
17       date.

18   BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

19       SECTION 1.       AMENDATORY       36 O.S. 2021, Section 1250.5, as  
20       last amended by Section 1, Chapter 214, O.S.L. 2023 (36 O.S. Supp.  
21       2024, Section 1250.5), is amended to read as follows:

22       Section 1250.5. Any of the following acts by an insurer, if  
23       committed in violation of Section 1250.3 of this title, constitutes  
24       an unfair claim settlement practice exclusive of paragraph 16 of  
this section which shall be applicable solely to health benefit  
plans:

1        1. Failing to fully disclose to first-party claimants,  
2 benefits, coverages, or other provisions of any insurance policy or  
3 insurance contract when the benefits, coverages or other provisions  
4 are pertinent to a claim;

5        2. Knowingly misrepresenting to claimants pertinent facts or  
6 policy provisions relating to coverages at issue;

7        3. Failing to adopt and implement reasonable standards for  
8 prompt investigations of claims arising under its insurance policies  
9 or insurance contracts;

10       4. Not attempting in good faith to effectuate prompt, fair and  
11 equitable settlement of claims submitted in which liability has  
12 become reasonably clear;

13       5. Failing to comply with the provisions of Section 1219 of  
14 this title;

15       6. Denying a claim for failure to exhibit the property without  
16 proof of demand and unfounded refusal by a claimant to do so;

17       7. Except where there is a time limit specified in the policy,  
18 making statements, written or otherwise, which require a claimant to  
19 give written notice of loss or proof of loss within a specified time  
20 limit and which seek to relieve the company of its obligations if  
21 the time limit is not complied with unless the failure to comply  
22 with the time limit prejudices the rights of an insurer. Any policy  
23 that specifies a time limit covering damage to a roof due to wind or  
24 hail must allow the filing of claims after the first anniversary but

1 no later than twenty-four (24) months after the date of the loss, if  
2 the damage is not evident without inspection;

3 8. Requesting a claimant to sign a release that extends beyond  
4 the subject matter that gave rise to the claim payment;

5 9. Issuing checks, drafts or electronic payment in partial  
6 settlement of a loss or claim under a specified coverage which  
7 contain language releasing an insurer or its insured from its total  
8 liability;

9 10. Denying payment to a claimant on the grounds that services,  
10 procedures, or supplies provided by a treating physician, hospital,  
11 or person or entity licensed or otherwise authorized to provide  
12 health care services were not medically necessary unless the health  
13 insurer or administrator, as defined in Section 1442 of this title,  
14 first obtains an opinion from any provider of health care licensed  
15 by law and preceded by a medical examination or claim review, to the  
16 effect that the services, procedures or supplies for which payment  
17 is being denied were not medically necessary. In the event that  
18 claims for mental health or substance use disorder treatments and  
19 services are under review, the reviewing health care provider shall  
20 have appropriate, qualified, and specialized credentials with  
21 respect to the services and treatments. Upon written request of a  
22 claimant, treating physician, hospital, or authorized person or  
23 entity, the opinion shall be set forth in a written report, prepared  
24 and signed by the reviewing physician. The report shall detail

1 which specific services, procedures, or supplies were not medically  
2 necessary, in the opinion of the reviewing physician, and an  
3 explanation of that conclusion. A copy of each report of a  
4 reviewing physician shall be mailed by the health insurer, or  
5 administrator, postage prepaid, to the claimant, treating physician,  
6 hospital, or authorized person or entity requesting same within  
7 fifteen (15) days after receipt of the written request. As used in  
8 this paragraph, "physician" means a person holding a valid license  
9 to practice medicine and surgery, osteopathic medicine, podiatric  
10 medicine, dentistry, chiropractic, or optometry, pursuant to the  
11 state licensing provisions of Title 59 of the Oklahoma Statutes;

12 11. Compensating a reviewing physician, as defined in paragraph  
13 10 of this section, on the basis of a percentage of the amount by  
14 which a claim is reduced for payment;

15 12. Violating the provisions of the Health Care Fraud  
16 Prevention Act;

17 13. Compelling, without just cause, policyholders to institute  
18 suits to recover amounts due under its insurance policies or  
19 insurance contracts by offering substantially less than the amounts  
20 ultimately recovered in suits brought by them, when the  
21 policyholders have made claims for amounts reasonably similar to the  
22 amounts ultimately recovered;

23 14. Failing to maintain a complete record of all complaints  
24 which it has received during the preceding three (3) years or since

1 the date of its last financial examination conducted or accepted by  
2 the Commissioner, whichever time is longer. This record shall  
3 indicate the total number of complaints, their classification by  
4 line of insurance, the nature of each complaint, the disposition of  
5 each complaint, and the time it took to process each complaint. For  
6 the purposes of this paragraph, "complaint" means any written  
7 communication primarily expressing a grievance;

8 15. Requesting a refund of all or a portion of a payment of a  
9 claim made to a claimant more than ~~twelve (12)~~ six (6) months or a  
10 health care provider more than ~~eighteen (18)~~ twelve (12) months  
11 after the payment is made. This paragraph shall not apply:

- 12 a. if the payment was made because of fraud committed by  
13 the claimant or health care provider, or
- 14 b. if the claimant or health care provider has otherwise  
15 agreed to make a refund to the insurer for overpayment  
16 of a claim;

17 16. Failing to pay, or requesting a refund of a payment, for  
18 health care services covered under the policy if a health benefit  
19 plan, or its agent, has provided a preauthorization or  
20 precertification and verification of eligibility for those health  
21 care services. This paragraph shall not apply if:

- 22 a. the claim or payment was made because of fraud  
23 committed by the claimant or health care provider,

- 1           b.    the subscriber had a preexisting exclusion under the  
2               policy related to the service provided, or  
3           c.    the subscriber or employer failed to pay the  
4               applicable premium and all grace periods and  
5               extensions of coverage have expired;

6       17.   Denying or refusing to accept an application for life  
7   insurance, or refusing to renew, cancel, restrict or otherwise  
8   terminate a policy of life insurance, or charge a different rate  
9   based upon the lawful travel destination of an applicant or insured  
10  as provided in Section 4024 of this title; or

11       18.   As a health insurer that provides pharmacy benefits or a  
12  pharmacy benefits manager that administers pharmacy benefits for a  
13  health plan, failing to include any amount paid by an enrollee or on  
14  behalf of an enrollee by another person when calculating the  
15  enrollee's total contribution to an out-of-pocket maximum,  
16  deductible, copayment, coinsurance or other cost-sharing  
17  requirement.

18       However, if, under federal law, application of this paragraph  
19  would result in health savings account ineligibility under Section  
20  223 of the federal Internal Revenue Code, as amended, this  
21  requirement shall apply only for health savings accounts with  
22  qualified high-deductible health plans with respect to the  
23  deductible of such a plan after the enrollee has satisfied the  
24  minimum deductible, except with respect to items or services that

1 are preventive care pursuant to Section 223(c)(2)(C) of the federal  
2 Internal Revenue Code, as amended, in which case the requirements of  
3 this paragraph shall apply regardless of whether the minimum  
4 deductible has been satisfied.

5 SECTION 2. This act shall become effective November 1, 2025.
