13				
14	BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:			
15	SECTION 1. AMENDATORY 74 O.S. 2021, Section 914, is			
16	amended to read as follows:			
17	Section 914. A. The normal retirement date for a member of the			
18	Oklahoma Public Employees Retirement System shall be as defined in			
19	Section 902 of this title, provided members employed on or after			
20	January 1, 1983, shall have six (6) or more years of full-time-			
21	equivalent employment with a participating employer before receiving			
22	any retirement benefits or $\underline{,}$ if the member is a legislative session			
23	employee of the Legislature, shall have three (3) or more years of			
24	full-time-equivalent employment with a participating employer before			

receiving any retirement benefits. In no event shall a normal retirement date for a member be before six (6) months after the entry date of the participating employer by whom he or she is employed.

- B. A member may be employed beyond the normal retirement date by the appointing authority of the participating employer. However, the member may not receive retirement pay so long as the member continues employment under this act Section 901 et seq. of this title. Any member who has terminated employment with a participating employer prior to the month immediately preceding said the member's normal retirement date must elect a vested benefit pursuant to Section 917 of this title before receiving any retirement benefits.
- C. Notice for retirement shall be filed through the retirement coordinator for the participating employer in such form and manner as the Board Oklahoma Public Employees Retirement System Board of Trustees shall prescribe; provided, that such notice for retirement shall be filed with the office of the retirement system at least sixty (60) days prior to the date selected for the member's retirement; provided further, that the Executive Director may waive the sixty-day notice for good cause shown as defined by the Board.
- 1. The participating employer shall provide the System with the following information for a retiring member, no later than the

fifteenth day of the month of retirement: last day physically on the job; last day on payroll; and final unused sick leave balance.

- 2. Failure to submit this information by the deadline, or errors in submitted information that result in a disqualification of retirement eligibility, shall be the responsibility of the participating employer. In cases where the error results in disqualification of retirement eligibility, it is the participating employer's responsibility to reemploy the member, or retain the member on the payroll, for time period required to reach eligibility, not exceeding two (2) months.
- D. No retirement benefits shall be payable to any member until the first day of the month following the termination of the member's employment with any participating employer. The type of retirement benefit selected by a member may not be changed on or after the effective date of the member's retirement. Receipt of workers' compensation benefits shall in no respect disqualify the retiree for benefits.
- E. If a retiree should be elected or appointed to any position or office for which compensation for service is paid from levies or taxes imposed by the state or any political subdivision thereof, the retiree shall not receive any retirement benefit for any month for which the retiree serves in such position or office after the retiree has received compensation in a sum equal to the amount allowable as wages or earnings by the Social Security Administration

1 in any calendar year. This subsection shall not apply to service 2 rendered by a retiree as a juror, as a witness in any legal proceeding or action, as an election board judge or clerk, or in any 3 other office or position of a similar nature, or to an employer that 4 5 is not a participating employer. Provided, further, that any participating employer who is employing such a retiree shall make 6 proper written notification to the System informing it of the 7 beginning date of such retiree's employment and the date such 9 retiree reaches the maximum compensation allowed by this section in 10 the calendar year. Any retiree returning to work for a participating employer shall make contributions to the System and 11 12 the employer shall do likewise. All retirees who have returned to employment and participation in the System following retirement 13 shall have post-retirement benefits calculated on one of the 14 following methods: 15

1. All service accumulated from date of reemployment shall be computed based on the benefit formula applicable at that time and the additional benefits shall be added to the previous benefits. Such additional benefits shall be calculated each year based upon additional service accrued from July 1 to June 30 of the previous year and the additional benefit, if any, will be added to the retiree's monthly benefit beginning January 1, 2000, and each January 1 thereafter. However, the post-retirement service credit shall be cumulative, beginning with service credit accrued after the

date of retirement, provided that the retiree has not received a distribution of the post-retirement contributions—:

2. Any retiree who returns to employment with a participating employer may elect not to receive any retirement benefits while so reemployed. If such an election is made and reemployment is for a minimum period of thirty-six (36) consecutive months, all service accumulated from date of reemployment shall be participating service. For purposes of determining the retirement benefits of such a member upon the termination of such reemployment all creditable service of the member shall be computed based on the benefit formula applicable at the time of termination of such reemployment. Provided, a retiree who became reemployed prior to July 1, 1982, and who is reemployed for a minimum of thirty-six (36) consecutive months shall have all the creditable service of such retiree computed based on the benefit formula applicable at the time of termination of such reemployment if the retiree elects not to receive retirement benefits prior to such termination of reemployment. A retiree who has waived receipt of the monthly benefit, but is not reemployed for the full thirty-six (36) consecutive months, shall upon termination of such reemployment have only the additional amount added to his or her benefit as if they had not waived the benefit as provided in paragraph 1 of this subsection→;
