

STATE OF OKLAHOMA

2nd Session of the 60th Legislature (2026)

SENATE BILL 1372

By: Jech

AS INTRODUCED

An Act relating to probation; defining terms; permitting certain offenders to receive completion and education credits under certain circumstances; permitting supervising agencies to maintain a record of credits; requiring supervising agencies to give notice of earned credits; requiring the court to enter an order in certain circumstances; requiring the Department of Corrections to develop certain policies and procedures; permitting offenders to make a motion for credits; providing for codification; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 991a-4.3 of Title 22, unless there is created a duplication in numbering, reads as follows:

A. As used in this section:

1. "Educational advancement activity" means a high school diploma or high school equivalency diploma, a bachelor's or associate's degree, or a certificate of completion of vocational training; and

1        2. "Supervising agency" means an agency providing probation  
2 supervision, whether conducted by the Department of Corrections, a  
3 district attorney, or a private supervision provider.

4        B. Any offender who receives a sentence that is suspended in  
5 whole or in part with probation pursuant to the provisions of  
6 Section 991a of Title 22 of the Oklahoma Statutes may be eligible to  
7 earn credits that reduce the person's full probation term. No  
8 person convicted of an offense under Section 13.1 or subsection C,  
9 D, E, F, G, or J of Section 644 of Title 21 of the Oklahoma Statutes  
10 shall be eligible for earned credits pursuant to this section.

11        1. When an offender successfully completes the first year of  
12 supervised probation or the entire period of supervised probation,  
13 whichever is shorter, the supervising agency shall award the  
14 offender earned credits equal to one quarter (1/4) of the person's  
15 probation length. Each supervising agency may establish rules to  
16 determine successful completion under this subsection. An offender  
17 may only earn completion credit once during the term of his or her  
18 probation.

19        2. When an offender successfully completes an educational  
20 advancement activity while on supervised probation, the supervising  
21 agency shall award a compliant offender with earned credits equal to  
22 one quarter (1/4) of the person's probation length. An offender can  
23 only earn education credit once during the term of his or her  
24 probation.

1 C. The supervising agency shall maintain a record of credits  
2 earned by an offender under this section. No less than once  
3 annually from the date the offender is placed on supervised  
4 probation, the supervising agency shall notify the offender of the  
5 projected probation termination date.

6 D. The supervising agency shall notify the court of the  
7 offender's reduction in his or her probation term under this  
8 subsection when:

9 1. The offender satisfies restitution and all nonmonetary  
10 conditions of his or her probation; and

11 2. The accumulation of time served on probation and any earned  
12 reduction is equal to the imposed probation term or when the  
13 supervising agency has completed supervised probation, whichever is  
14 earlier.

15 E. Upon receipt of the information in subsection D of this  
16 section, the court shall enter an order modifying the length of the  
17 probation term. Nothing in this section shall prohibit the  
18 supervising agency from requesting an earlier probation termination  
19 date.

20 F. The Department of Corrections and other supervising agencies  
21 shall develop written policies and procedures necessary for the  
22 implementation of earned credits as authorized by this section. The  
23 policies and procedures developed by the Department of Corrections  
24 shall include, but not be limited to, written guidelines regarding

1 the process to earn credits and the application of the credits  
2 toward the reduction of the term of probation.

3 G. If an offender is no longer supervised by a supervising  
4 agency but has completed an educational advancement activity and  
5 would qualify for earned credits under paragraph 2 of subsection B  
6 of this section, the offender may file a motion with the sentencing  
7 court seeking a one-quarter reduction of his or her probation term.  
8 If the court finds that the offender has completed an educational  
9 advancement activity and the offender has not yet received education  
10 credit under the term of his or her probation, the court shall grant  
11 the motion.

12 SECTION 2. This act shall become effective November 1, 2026.
