

1 STATE OF OKLAHOMA

2 2nd Session of the 60th Legislature (2026)

3 SENATE BILL 1565

By: Rosino

6 AS INTRODUCED

7 An Act relating to the state Medicaid program;
8 defining term; establishing certain powers and duties
9 of the Oklahoma Health Care Authority for the purpose
10 of participation in the Transforming Maternal Health
11 (TMaH) Model; limiting use of certain funds;
requiring inclusion of nutrition support services;
requiring and authorizing certain additional
services; providing for codification; providing an
effective date; and declaring an emergency.

12

13

14 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

15 SECTION 1. NEW LAW A new section of law to be codified
16 in the Oklahoma Statutes as Section 5009.8 of Title 63, unless there
17 is created a duplication in numbering, reads as follows:

18 A. As used in this section, "Transforming Maternal Health
19 (TMaH) Model" means a payment and service delivery model developed
20 by the Centers for Medicare and Medicaid Services (CMS) Center for
21 Medicare and Medicaid Innovation, as detailed in the CMS notice of
22 funding opportunity issued on June 26, 2024, that:

1 1. Supports participating state Medicaid agencies in the
2 development of a whole-person approach to pregnancy, childbirth, and
3 postpartum care; and

4 2. Aims to improve outcomes and experiences for mothers and
5 babies, while also reducing overall program expenditures, by
6 addressing the physical, mental health, and social needs experienced
7 during pregnancy.

8 B. For the purpose of participation in the Transforming
9 Maternal Health (TMaH) Model, the Oklahoma Health Care Authority
10 shall have the power and duty to accept, receive, and expend federal
11 funds, grants, cooperative agreements, or demonstration model
12 funding awarded by the Centers for Medicare and Medicaid Services
13 (CMS), including funding made available through the TMaH Model, to
14 improve maternal health outcomes for women eligible for the state
15 Medicaid program. Such funds shall only be used to develop,
16 administer, and contract for maternal health services and supports
17 for pregnant and postpartum women who are Medicaid members.

18 C. 1. The services and supports described in subsection B of
19 this section shall include nutrition support services to pregnant
20 and postpartum women who have a diet-related condition or a
21 condition or disease that may contribute to a high-risk pregnancy or
22 birth complications, to maintain proper health and achieve healthy
23 birth outcomes.

1 2. Nutrition support services described in this subsection
2 shall include medically tailored home-delivered meals. Medically
3 tailored home-delivered meals shall be designed by a Registered
4 Dietitian Nutritionist using evidence-based nutritional standards to
5 meet the specific medical and nutritional needs of the individual
6 based on the specific disease or condition being managed, and shall
7 be palatable and appealing in taste and texture to promote adequate
8 intake.

9 3. Nutrition support services described in this subsection may
10 include nutritional counseling; provided, that the Authority shall
11 not require a Medicaid member to undergo nutritional counseling as a
12 condition of receiving medically tailored home-delivered meals.

13 SECTION 2. This act shall become effective July 1, 2026.

14 SECTION 3. It being immediately necessary for the preservation
15 of the public peace, health or safety, an emergency is hereby
16 declared to exist, by reason whereof this act shall take effect and
17 be in full force from and after its passage and approval.
