11 marijuana commercial growers; restricting the number

13 Authority may approve and issue to applicants;  
14 updating language; repealing 63 O.S. 2021, Section  
15 427.14a, as amended by Section 6, Chapter 168, O.S.L.  
16 2023 (63 O.S. Supp. 2025, Section 427.14a), which  
17 relates to the Oklahoma Medical Marijuana and Patient  
18 Protection Act; and providing an effective date.

19 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

20 SECTION 1. AMENDATORY 63 O.S. 2021, Section 422, as last  
21 amended by Section 1, Chapter 447, O.S.L. 2024 (63 O.S. Supp. 2024,  
22 Section 422), is amended to read as follows:

23 Section 422. A. 1. The Oklahoma Medical Marijuana Authority  
24 shall make available on its website in an easy-to-find location an  
application for a medical marijuana commercial grower license. The  
application fee shall be paid by the applicant in the amounts  
provided for in Section 427.14 of this title. A method of payment

1 for the application fee shall be provided on the website of the  
2 Authority. The Authority shall have ninety (90) business days to  
3 review the application; approve, reject, or deny the application;  
4 and send the approval, rejection, or denial letter stating the  
5 reasons for the rejection or denial to the applicant in the same  
6 method the application was submitted to the Authority.

7 2. Beginning November 1, 2026, the total number of medical  
8 marijuana commercial grower licenses the Authority may approve and  
9 issue in this state shall be restricted to no more than two thousand  
10 five hundred fifty (2,550) licenses.

11 B. The Subject to the restriction set forth in paragraph 2 of  
12 subsection A of this section, the Authority shall approve all  
13 applications which meet the following criteria:

14 1. The applicant must be twenty-five (25) years of age or  
15 older;

16 2. The applicant, if applying as an individual, must show  
17 residency in this state;

18 3. All applying entities must show that all members, managers,  
19 and board members are Oklahoma residents;

20 4. An applying entity may show ownership of non-Oklahoma  
21 residents, but that percentage ownership may not exceed twenty-five  
22 percent (25%);

23 5. All applying individuals or entities must be registered to  
24 conduct business in this state; and

1       6. All applicants must disclose all ownership interests in the  
2 commercial grower operation.

3           Applicants with a nonviolent felony conviction in the last two  
4 (2) years, any other felony conviction in the last five (5) years,  
5 inmates in the custody of the Department of Corrections or any  
6 person currently incarcerated shall not qualify for a commercial  
7 grower license.

8           C. A licensed medical marijuana commercial grower may sell  
9 marijuana to a licensed medical marijuana dispensary or a licensed  
10 medical marijuana processor. Further, sales by a licensed medical  
11 marijuana commercial grower shall be considered wholesale sales and  
12 shall not be subject to taxation. Under no circumstances may a  
13 licensed medical marijuana commercial grower sell marijuana directly  
14 to a licensed medical marijuana patient or licensed medical  
15 marijuana caregiver. A licensed medical marijuana commercial grower  
16 may only sell at the wholesale level to a licensed medical marijuana  
17 dispensary, a licensed medical marijuana commercial grower or a  
18 licensed medical marijuana processor. If the federal government  
19 lifts restrictions on buying and selling marijuana between states,  
20 then a licensed medical marijuana commercial grower would be allowed  
21 to sell and buy marijuana wholesale from, or to, an out-of-state  
22 wholesale provider. A licensed medical marijuana commercial grower  
23 shall be required to complete a monthly yield and sales report to  
24 the Authority. This report shall be due on the fifteenth of each

1 month and provide reporting on the previous month. This report  
2 shall detail the amount of marijuana harvested in pounds, the amount  
3 of drying or dried marijuana on hand, the amount of marijuana sold  
4 to licensed processors in pounds, the amount of waste in pounds, and  
5 the amount of marijuana sold to licensed medical marijuana  
6 dispensaries in pounds. Additionally, this report shall show total  
7 wholesale sales in dollars. The Authority shall have oversight and  
8 auditing responsibilities to ensure that all marijuana being grown  
9 by licensed medical marijuana commercial growers is accounted for.

10 D. There shall be no limits on how much marijuana a licensed  
11 medical marijuana commercial grower can grow.

12 E. Beginning on November 1, 2021, licensed medical marijuana  
13 commercial growers shall be authorized to package and sell pre-  
14 rolled marijuana to licensed medical marijuana dispensaries. The  
15 products described in this subsection shall contain only the ground  
16 parts of the marijuana plant and shall not include marijuana  
17 concentrates or derivatives. The total net weight of each pre-roll  
18 packaged and sold by licensed medical marijuana commercial growers  
19 shall not exceed one (1) gram. These final products must be tested,  
20 packaged and labeled in accordance with Oklahoma law and rules  
21 promulgated by the Authority.

22 F. Beginning November 1, 2022, all medical marijuana commercial  
23 grower licensees who operate an outdoor medical marijuana production  
24 facility shall be required to register with the Oklahoma Department

1 of Agriculture, Food, and Forestry as an environmentally sensitive  
2 crop owner. Registration shall provide notice to commercial and  
3 private pesticide applicators of the locations of medical marijuana  
4 crops and help minimize the potential for damaging pesticide drift.  
5 Medical marijuana commercial grower licensees shall provide their  
6 business name, address, Global Positioning System (GPS) coordinates  
7 for all outdoor medical marijuana production facilities, and any  
8 other information required by the Department when registering with  
9 the Environmentally Sensitive Area Registry.

10 SECTION 2. REPEALER 63 O.S. 2021, Section 427.14a, as  
11 amended by Section 6, Chapter 168, O.S.L. 2023 (63 O.S. Supp. 2025,  
12 Section 427.14a), is hereby repealed.

13 SECTION 3. This act shall become effective November 1, 2026.
