6 in the Oklahoma Statutes as Section 1-709.10 of Title 63, unless
7 there is created a duplication in numbering, reads as follows:

8 As used in this section:

9 1. "Abortion" means the act of using or prescribing an
10 instrument, a drug, a medicine, or any other substance, device, or
11 means with the intent to cause the death of an unborn child of a
12 woman known to be pregnant. An act is not an abortion if the act is
13 done with the intent to:

14 a. save the life or preserve the health of an unborn
15 child,

16 b. remove a dead, unborn child whose death was caused by
17 a miscarriage, or

18 c. remove an ectopic pregnancy;

19 2. "Abortion-inducing drug" means a drug, a medicine, or any
20 other substance, including a regimen of two or more drugs,
21 medicines, or substances, prescribed, dispensed, or administered
22 with the intent of terminating a clinically diagnosable pregnancy of
23 a woman and with knowledge that the termination will, with
24 reasonable likelihood, cause the death of the woman's unborn child.

1 The term includes off-label use of drugs, medicines, or other
2 substances known to have abortion-inducing properties that are
3 prescribed, dispensed, or administered with the intent of causing an
4 abortion, including the Mifeprex regimen, misoprostol (Cytotec), and
5 methotrexate. The term does not include a drug, medicine, or other
6 substance that may be known to cause an abortion but is prescribed,
7 dispensed, or administered for other medical reasons;

8 3. "Contraception" means the use of any natural or artificial
9 means to prevent the fertilization of a human ovum;

10 4. "Pregnancy center" means a private nonprofit organization
11 that promotes childbirth and alternatives to abortion and provides
12 women, children, and families with resources, counseling, classes,
13 referrals, and/or information related to pregnancy, childbearing,
14 adoption, and parenting; and

20 information related to pregnancy, childbearing, adoption, and
21 parenting.
