Fiscal Analysis

HB 1036 is a sunset bill which modifies the termination date for the Opioid Overdose Fatality Review Board (Board), thereby granting a one-year extension from July 2025 to July 2026. The measure is merely extends the termination date for the Board, which is not an appropriated state agency, and thus does not carry any fiscal or revenue considerations for the state. Therefore, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
