Research Analysis

The subcommittee recommendation to HB 1411 creates the True Grit Trail in eastern Oklahoma. The measure requires the Oklahoma Department of Transportation (ODOT) to post signs along Oklahoma state highways directing visitors to sites along the trail. Towns and places of interest along the trail include: Sallisaw, Spiro, Bokoshe, McCurtain, Kinta, Quinton, Krebs, McAlester, Hartshorne, Wilburton, Red Oak, Bengal, Talihina, Robbers Cave State Park, and Talimena National Scenic Byway. ODOT and the Oklahoma Tourism and Recreation Department must collaborate to maintain information regarding the True Grit Trail on an online platform.

Fiscal Analysis

As written this measure requires that the Oklahoma Department of Transportation (ODOT) uses private funds to fund the construction and placement and possible replacement of the signs. Given this requirement, there is no fiscal impact to the state budget as ODOT will not need state funds to erect the signs.
