Fiscal Analysis

The committee substitute to HB 1420 does not materially alter the prior fiscal impact statement. The measure adds the Grand River Dam Authority to a list of state agencies that are not applicable for purposes of implementing the measure. The measure does not mandate any additional action or expenditure by the Oklahoma Office of Management and Enterprise Services (OMES), nor does it impose such mandates on any other state agency. Therefore, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
