Research Analysis

The proposed committee substitute to HB 1678 establishes procedures for addressing tie votes in Runoff Primary, General, and Primary Elections in Oklahoma.

If a tie vote occurs in the nomination or election of any candidate in a Runoff Primary, General Election, or Primary Election, a second vote to be held on the next practicable election date according to statute must be scheduled to resolve the tie. If a second vote is scheduled for a Primary or Runoff Primary election, the General Election for that office is to be moved to the next practicable election date according to statute.
