Research Analysis

The policy committee recommendation for HB2116 expands membership in the Oklahoma Law Enforcement Retirement System (OLERS) by adding CLEET-certified officers hired by the Office of the State Fire Marshal on or after July 1, 2026. Current law has these officers participating in the Oklahoma Public Employees Retirement System.

Fiscal Analysis

HB 2116 would make active CLEET-certified law enforcement officers hired by the State Fire Marshal's Office after the bill's effective date participants in the Oklahoma Law Enforcement Retirement System (OLERS).

Since the measure is only applicable for those hired after the bill's effective date, the accrued actuarial liability will not increase, therefore having no impact on OLERS.
