Research Analysis

The subcommittee recommendation for HB2170 updates administrative procedures of the Oklahoma Tax Commission (OTC) by:

- giving the OTC discretion on its methodology for determining an annual forecast of gross production tax revenues;
- prohibiting the OTC from waiving penalties for delinquent aircraft excise tax;
- requiring verified claims for refunds to be submitted on a form prescribed by the OTC;
- allowing OTC to charge a fee for reissuing a refund at the request of a taxpayer;
- clarifying that an administrative wage garnishment may be issued after the tax has become 90 days delinquent;
- clarifying that the 1.5 percent fee retained by the OTC for medical marijuana sales tax collect services is a retention fee, rather than a charge; and
- repealing [Title 68, Section 205.5](#), a statute requiring the OTC to post a listing of delinquent tax accounts on the Internet.
