**Research Analysis**

The second proposed policy committee substitute for HB2206 expands membership in the Oklahoma Law Enforcement Retirement System by adding school resource officers hired by public schools on or after July 1, 2026. Current law has these officers participating in the Teachers' Retirement System of Oklahoma.

**Fiscal Analysis**

HB 2206 authorizes school resource officers hired after the bill's effective date to participate in the Oklahoma Law Enforcement Retirement System (OLERS). Because this provision applies only to future hires, it is not expected to increase the accrued actuarial liability and therefore has no actuarial impact on OLERS.
