**Fiscal Analysis**

The proposed committee substitute to HB 2796 allows the Department of Commerce to deposit funds, as needed, in any account or subaccount related to the Oklahoma Disaster Mitigation and Recovery Matching Fund. The funds currently in this account are too restrictive to be utilized efficiently; therefore, this change would have a fiscal impact of up to Five Million Dollars (\$5,000,000.00) on funds that already reside within the matching fund.
