The proposed subcommittee substitute for HB 2949 requires licensed child care centers to maintain minimum staff-to-child ratios. Those ratios are 1:5 for children birth to 11 months; 1:7 for children 12 months through 23 months; 1:9 for children two up to three years old; 1:12 for children three up to four years old; 1:15 for children four or up to five years old; and 1:20 for children six years and up. The Department of Human Services must make rules as necessary to bring administrative code into conformity with this measure.
