**Research Analysis**

The policy committee amendment for HB 3011 restores language that would exclude beer, cider, and wine made for personal use from excise tax.

HB 3011 requires someone making beer, cider or wine for personal use to be 21 or older. An individual making these beverages should do so solely for personal use, for use by family or guests, for distribution at nonprofit events, and for transport to and use at organized affairs, exhibitions, or competitions including homemaker contests, tastings, or judging. The measure repeals [37A O.S. 2021, Section 2-140](#), which authorized the ABLE Commission to issue a Personal Use Permit.
