Fiscal Analysis

The CS to HB3062 extends firearm carrying authority to retired municipal judges who have served for twenty cumulative years and authorizes chief judges to issue written orders allowing municipal judges to carry firearms within district courts. Any costs associated with the issuance of identification cards by the Council on Law Enforcement Education and Training (CLEET) are expected to be absorbed in accordance with the normal duties of the agency involved. Therefore, in its current form, the CS to HB3062 is not anticipated to have a material impact on state budget or appropriations.
