

BILL SUMMARY
2nd Session of the 60th Legislature

Bill No.:	HB 3261
Version:	INT
Request Number:	14433
Author:	Rep. Hildebrant
Date:	2/6/2026
Impact:	Under Review

Research Analysis

HB 3261, as introduced, requires the State Department of Education to create a database for maintaining information about school support employees. The database will include the name, employing district, position, and permanent identification numbers of these employees. A district must send data for a newly-hired or newly-terminated support employee the Department within 30 days.

Fiscal Analysis

The measure in it's current form requires the creation of a support personnel database. As such, the measure is under review in consultation with the State Department of Education for any possible technology-related costs necessary for implementation.
