Fiscal Analysis

The committee substitute to HB 3622 creates the U.S. Decennial Census Revolving Fund at the Oklahoma Department of Commerce. As part of the budget request process, the Department of Commerce has requested a recurring appropriation of Five Hundred Thousand Dollars (\$500,000.00) to prepare and administer the 2030 Census. The approval of those requested funds will be subject to the overall appropriations process. As written, this measure has no fiscal impact to state resources.
