

BILL SUMMARY
2nd Session of the 60th Legislature

| | |
|------------------------|------------------------|
| Bill No.: | HB 3674 |
| Version: | INT |
| Request Number: | 15182 |
| Author: | Rep. Provenzano |
| Date: | 2/7/2026 |
| Impact: | No Impact |

Research Analysis

HB 3674, as introduced, requires all school resource officers to annually complete one hour of CLEET-accredited continuing education. The measure also clarifies that SROs must complete the pre-existing requirement for sexual violence training within six months of this act's passage or six months of starting employment, whichever is later. Lastly, the measure requires all school-related reports of sexual assault to be reported to law enforcement.

Prepared By: Emily Byrne

Fiscal Analysis

The measure in its current form would not result in a negative fiscal impact on the state budget or appropriations.

Prepared By: Cole Stout, House Fiscal Staff

Other Considerations

None.
