Research Analysis

HB 3748 as introduced, allows county commissioners to utilize county-own equipment, labor, and supplies on property owned by four-year institutions.

Fiscal Analysis

House Bill 3748 amends statutory language by adding certain four-year institutions to a list of which the board of county commissioners may utilize county-owned equipment, labor, and supplies at their disposal on such property. The measure deals exclusively with certain permissive authority possessed by the board of county commissioners and does not carry any fiscal impact considerations for the state. Therefore, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
