

BILL SUMMARY
2nd Session of the 60th Legislature

Bill No.:	HB3762
Version:	INT
Request Number:	15723
Author:	Rep. Turner
Date:	2/16/2026
Impact:	\$0

Research Analysis

HB 3762, as introduced, requires chiropractors wishing to inject vitamins, minerals, or supplements to obtain authorization from the Board of Chiropractic Examiners. Such chiropractors must have completed at least 120 hours of injectable procedure education from a board-approved program led by a chiropractic institution and must have passed an independent certification exam.

Fiscal Analysis

HB 3762 requires chiropractors who wish to inject vitamins to obtain authorization from the Board of Chiropractic Examiners. The Board is a non-appropriated state agency; therefore, the provisions of this measure are assumed to be achievable within the Board's existing resources. As a result, this measure has no direct impact on the state budget or appropriations.
